our process

At Shri Vashudev Food, our dedication to quality permeates every step of our rice production process. We begin by meticulously selecting the finest paddy, sourced from trusted farmers committed to sustainable practices. Once procured, the paddy undergoes a comprehensive cleaning regimen to remove impurities, ensuring the purity of each grain. Following this, our state-of-the-art facilities carefully de-husk and mill the paddy, resulting in rice of unparalleled quality. Rigorous quality checks are conducted at every stage to maintain our exacting standards, guaranteeing that only the finest rice reaches our customers.

After passing stringent quality assessments, our superior-quality rice is packaged in eco-friendly materials, preserving its freshness and nutritional value. This dedication to quality and sustainability is at the heart of our ethos, ensuring that when you choose Shri Vashudev Food rice, you're choosing excellence from the fields to your plate.
